## SUPPORT OUR COMMUNITY PARK! THE BRIDGEWATER COMMUNITY PARKS FOUNDATION

The Bridgewater Park is undergoing an exciting renovation that includes improvements and new recreational amenities. The plan includes a new playground and safety surface, new activity areas, additional seating, a refreshed pavilion and a central donor plaza.

We need you to become part of the park's revitalization effort by purchasing your own engraved brick(s) memory! Your tax deductible contribution will help to achieve our collective vision for a first-class multi-generational park offering a wide variety of activities that will provide "something for everyone". Work has already begun so we encourage you to order your brick(s) TODAY!
