Chamfered Edge
No Lugs
Most Popular

Chamfered Edge
With Lugs

Lugs are spacers on the outer edge of 3 sides of the brick used for installation

Straight Edge
No Lugs

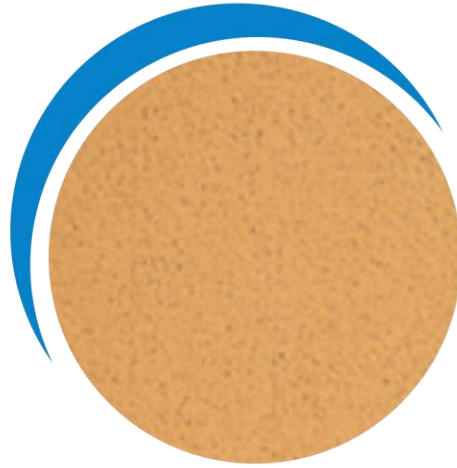

8X8 bricks do not come with lugs. To match styles for your installation, chamfered edge NO LUG is most commonly used.

Quarry Shades & Sizes

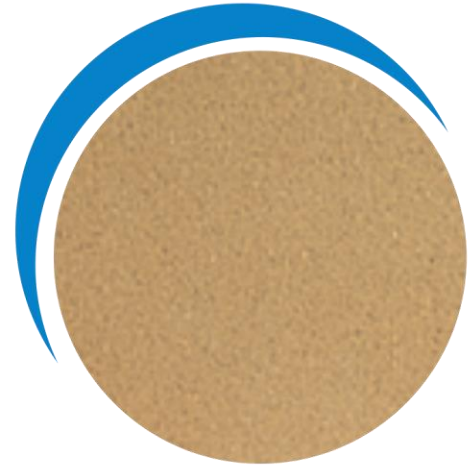

10 Red

11 Sun Glo

33 Falcon

44 Oxford Gray

Quarry tiles are considered customized orders. The colors and sizes available are subject to change due to the tile industry dis-continuing these products. Minimum order fees will apply to custom orders based on quantity requirements. Please contact Fundraising Brick at 855-BRICKS4U for additional details.

All sizes are 1/2 thick. Stock tile sizes are 4x8 and 8x8. The actual tiles have square corners.

4X8

In Memory of
James Wiliford
