ONLINE ORDERING - FUNDRAISING MADE EASY

In addition to Fundraising Brick hosting your website for FREE, the online order form that can be linked or embedded to your website allowing your donors a convenient method to order laser engraved bricks online. The Internet provides convenience and accessibility and is an extremely effective way to drive sales. The online form allows you to manage your fundraising project with ease.

HOW IT WORKS

Fundraising Brick will generate/create an interactive campaign fundraising page and manage your Internet orders. Our web development team will generate a custom web page that links to our website from yours for placing the Internet orders. Yes, this service is FREE.

The customized ordering page will allow your customers/donors to order the laser engraved bricks directly from your website. The link will take them directly to the online order form, which is linked to our storefront online. The form allows them access to order a brick, enter their text to be engraved on the brick, and make a secure payment online using the PayPal account that you provided.

Fundraising Brick will handle the rest. Online Ordering-Fundraising Made Easy makes your project headache and hassle free. It is as simple as it sounds. This allows you to easily track your orders and manage your campaign.

When your fundraiser is complete, Fundraising Brick will engrave the bricks ordered for your fundraiser and ship them to you for installation.

Fundraising Made Easy - 1 Step to Online Ordering: All that you are required to do for our online ordering system is setup a PayPal account for your organization and provide Fundraising Brick with your project details listed below. The PayPal account that you have setup is where the funds earned from your donors will be transferred. You can then transfer the funds from PayPal to a bank account or directly withdraw the monies earned. To streamline the process even ore, you can schedule automated transfers from PayPal to your bank account.

What we need from you to get started creating your customized donor web page:

The forms are customized to fit each individual customer's needs.
